product# 2754

## ProsperEO™ Dry

### Drive Health and Performance

## FEED ADDITIVE

**ProsperEO™ Dry**, an everyday natural feed additive, supports a broad range of health challenges. It contains patented **Microfused®** organic oregano, thyme and cinnamon essential oils and **Actifibe® Prebiotic**.

### BENEFITS

- Supports gut health and immunity
- Helps maintain continuous performance
- Aids efficient growth throughout production

### RECOMMENDED USE

**Swine:** Mix at the following rate per ton of feed: Sows & Boars 0.25-2.0 lbs.; Nursery 0.5-4.0 lbs.; Growers & Finishers 0.25-2.0 lbs. **Poultry:** Mix at the following rates per ton of feed: Broilers 0.3-2.0 lbs.; Layers & Turkeys: 0.15-2.0 lbs. **Ruminants:** 0.25-2.0 grams per 100 lbs. of body weight per day.

AVAILABLE IN 35 lb. Bag

<https://www.omri.org/mfg/rni/certificate/12677>

product# 2713

## Stand Strong™ for Ruminants

### Enhance Health and Release Energy

## FEED ADDITIVE

**Stand Strong™ for Ruminants** extracts more energy from feed and helps maintain health and vitality on a daily basis.

### BENEFITS

- Helps maintain consistent feed intake
- Helps release more energy from feedstuffs
- Improves performance by maintaining health during daily production stressors

Stand Strong™ is research-proven to help with heat abatement and feed intake.

### RECOMMENDED USE

**Ruminants:** Feed 0.75 grams per 100 lbs. of body weight continuously. Feed 1.5 grams per 100 lbs. of body weight during times of stress.

AVAILABLE IN 35 lb. Bag

<https://www.omri.org/mfg/rni/certificate/13305>

product# 9082

## IntegraFlo™ Helps Maintain Quality Feed

## FEED ADDITIVE

IntegraFlo™ is a feed additive for use when feed quality concerns arise.

### BENEFITS

- Aids in safely passing undesirable substances through the digestive system
- Supports the restoration of vital nutrients
- Helps maintain health during times of challenge

### RECOMMENDED USE

**Swine:** Include in the diet at the preventative feeding rate: 4 lbs. per ton. **Poultry:** Include in the diet at the preventative feeding rate: 2-4 lbs. per ton. **Ruminants:** Include in the diet at the preventative feeding rate: 2 oz. per head per day.

AVAILABLE IN 50 lb. Bag

<https://www.omri.org/mfg/rni/certificate/13298>

product# 2114

## MC100™ Get More Energy Out of Feed

## FEED ADDITIVE

MC100™ is an everyday natural feed additive containing a patented form of cobalt which stimulates rumen bacteria and enhances fiber break down resulting in more energy from the feed.

### BENEFITS

- Helps appetite during times of challenge
- Assists fiber digestibility and B12 production

Research shows improved fiber digestibility in ruminants with high-forage diets by 12-24%.

### RECOMMENDED USE

**Ruminants:** Beef Cows & Calves: 3 grams per head per day; Dairy Cows: 6 grams per head per day; Sheep & Goats: 1 gram per head per day.

AVAILABLE IN 50 lb. Bag

<https://www.omri.org/mfg/rni/certificate/10576>

product# 8006

## Fight Strong® for Cattle Drench Get Calves and Cattle on Feed

## DRENCH

Fight Strong® for Cattle Drench is the natural way to help get cattle back on feed fast while supporting immunity during times of stress such as receiving, processing or handling cattle.

### BENEFITS

- Helps appetite during times of challenge
- Supports digestive health
- Assists rumen function

### RECOMMENDED USE

**Ruminants:** Drench 4-5 ml per 100 lbs. of body weight. For incoming cattle and sick pens, mix 6 ounces with 100 gallons of water.

AVAILABLE IN 1 gallon Jug

<https://www.omri.org/mfg/rni/certificate/14231>

product# 9049

## Regano® Liquid

### For Times of Challenge

## WATER ADDITIVE

**Regano® Liquid** is the most trusted natural water additive to support specific health challenges. It contains patented **Microfused®** organic oregano essential oil.

### BENEFITS

- Helps animals respond during stress events
- Supports overall health and immunity
- Assists production performance

### RECOMMENDED USE

**Swine:** Mix at the following rate with 5 gallons of water to make stock solution. Sows & Boars, Nursery and Growers & Finishers 15-60 oz. Meter 1 oz. of stock solution per gallon of drinking water (1:128).

**Poultry:** Mix at the following rate with 1 gallon of water to make stock solution. Broilers, Layers & Turkeys 1-5 oz. Meter 1 oz. of stock solution per gallon of drinking water (1:128). **Ruminants:** Mix at the following rate with 5 gallons of drinking water. Mild flavoring 2-5 ml; Moderate flavoring 5-10 ml.

AVAILABLE IN 1 gallon Jug

<https://www.omri.org/mfg/rni/certificate/1705>

product# 2753

## ProsperEO™ Liquid

### Managing Health and Performance

## WATER ADDITIVE

**ProsperEO™ Liquid** is an everyday natural water additive to support a broad range of health challenges. It contains patented **Microfused®** organic oregano, thyme and cinnamon essential oils and **Actifibe® Prebiotic**.

### BENEFITS

- Supports gut health and immunity
- Helps maintain continuous performance
- Aids efficient growth throughout production

**ProsperEO™** remains effective in the presence of sanitation programs such as Chlorine Dioxide (ClO<sub>2</sub>).

### RECOMMENDED USE

**Swine:** Mix at the following rate with 5 gallons of water to make stock solution. Sows & Boars 30 oz.; Nursery 30-60 oz.; Growers & Finishers 30 oz. Meter 1 oz. of stock solution per gallon of drinking water (1:128).

**Poultry:** Mix at the following rate with 1 gallon of water to make stock solution. Broilers, Layers & Turkeys 1-5 oz. Meter 1 oz. of stock solution per gallon of drinking water (1:128). **Ruminants:** Mix at the following rate with 5 gallons of drinking water: Mild flavoring 2-5 ml; Moderate flavoring 5-10 ml.

AVAILABLE IN 1 gallon Jug

<https://www.omri.org/mfg/rni/certificate/12103>

product# 2162

## Avi-Lyte™

### When the Stress Is On

## WATER ADDITIVE

**Avi-Lyte™** is a natural poultry stress pack that hydrates, restores vital nutrients and boosts immunity. Contains electrolytes, citric acid and vitamins.

### BENEFITS

- Electrolytes to support rapid hydration
- Helps restore vital nutrients
- Supports gut health

### RECOMMENDED USE

**Poultry:** Mix 8 oz. (0.5 lb.) with 1 gallon of water to make stock solution. Meter 1 oz. of stock solution per gallon of water (1:128).

AVAILABLE IN 0.5 lb. Pouch and 2.5 lb. Pouch

<https://www.omri.org/mfg/rni/certificate/14623>

## Anchor™ for Silage

### Silage Inoculant Done Differently

CROPS

**Anchor™ for Silage** is a state-of-the-art inoculant blend reinforced by patented **Microbial Catalyst®** technology to rapidly lower pH level and lock-in nutrients.

#### BENEFITS

- Rapidly reduces the pH to limit dry matter loss
- Improves forage preservation to help maintain feed quality

#### RECOMMENDED USE

**Crops:** Mix 1 lb. (1 pouch) with water to treat 200 tons of corn silage, 150 tons of haylage or 100 tons of high-moisture corn.

AVAILABLE IN 1 lb. Pouch

"I can't believe how great our silage looks this year. It's perfect all the way up to the top of the tarp!"

Mark // Clearwater, MN

product# 49303

## Anchor™ for Hay

### Preserve Higher Moisture Hay

CROPS

**Anchor™ for Hay** preserves higher moisture hay and maintains hay quality over time while reducing the risk of heating and spoilage.

#### BENEFITS

- Bale higher moisture hay
- Reduce heating and lock-in nutrients
- Less spoilage

#### RECOMMENDED USE

**Crops:** Apply to cured hay at the rate of 2 lbs. per ton at a maximum moisture of 25%.

AVAILABLE IN 50 lb. Bag

<https://www.omri.org/mfg/rni/certificate/14748>

<https://www.omri.org/mfg/rni/certificate/14145>

product# 49011

## Generate® for Organic Use

### Versatile Soil & Plant Health Solution

CROPS

**Generate®** stimulates microbes in the soil for greater nutrient uptake, healthier plants and improved soil health.

#### BENEFITS

- Improves emergence
- Helps maintain plant health during times of stress
- Increases yield and improves tonnage & feed quality

#### RECOMMENDED USE

**Crops:** Mix 1 pint per acre.

AVAILABLE IN 2.5 gallon Jug

"It was clear that the roots on the Generate® acres were thicker. We also saw a yield boost at harvest."

Keith // Austin, MN

product# 7632

## Essential Dry™ XP

Supports Animal Comfort

**BEDDING**

Essential Dry™ XP is a natural litter treatment used to neutralize odors and enhance overall litter and air quality in commercial poultry houses.

### BENEFITS

- Helps overcome excess litter moisture
- Reduces ammonia odors
- Helps to improve air quality and poor ventilation

### RECOMMENDED USE

**Poultry:** Apply 50 pounds per 1,000 square feet of treated litter. For best results, apply using a drop spreader. Apply 3 days prior to placement or as needed.

AVAILABLE IN 50 lb. Bag

<https://www.omri.org/mfg/rni/certificate/15852>

product# 2202

## Uddersol™

Supports Healthy Udders

**TOPICAL CARE**

Uddersol™ is a natural solution that supports udder hygiene, helps increase circulation and has no withholding period on milk or meat.

### BENEFITS

- Helps circulation
- Supports udder hygiene
- No withholding on milk or meat

### RECOMMENDED USE

**Ruminants:** Apply 20-30 ml per application to affected area. Rub in briskly.

AVAILABLE IN 23 oz Bottle and 1 gallon Jug

<https://www.omri.org/mfg/rni/certificate/1674>
